

Social Activity on Wednesday

Uetliberg, Planetenweg, Food and City Walk

Part 1

Uetliberg and Planetenweg

- Meeting at 1:45 pm (13:45) in front of the CAB building (the one we are in right now)
- Tram to the foot of Uetliberg
- Hiking up the Uetliberg (approximately 1,5 hours)
- Being amazed by the beautiful swiss landscape (approximately 15 minutes)
- Going along the Planetenweg, polishing our knowledge of the Solar System (approximately 2 hours)
- Taking the Felseneggbahn (a cable car) down
- Catching a train back to Zurich

What do I need?

- Comfortable shoes (no hiking boots necessary, it is going to be a very easy walk)
- An Albis day pass ticket (see instructions on the next slides and alternatives later on)
- Something to nibble on if your sugar level decreases

How do I buy the ticket?

Having switched the ticket machine to English:

- More tickets / offers (bottom right-hand corner)
- Special offers (left-hand column, at the bottom)
- Albis day pass (first option)

The cost is 17.20 CHF (6 zones for a price of 4).

Are there alternatives?

Yes there are!

- If you want to skip the uphill part, you can come directly to the Uetliberg taking the S10 S-Bahn from the Zurich Main Station (leaving i.e. 3:35 pm) to meet us around 4pm under the tower at the top. Then you can still walk the Planetenweg with us!
- Would you only like to go up to Uetliberg and then back to the city? Then you need only the usual Zone 110 public transport ticket!

Part 2

Burgers and Beers

For a reasonably priced dinner we suggest going to Heidi & Tell (Gotthardstrasse 66) for Swiss-style burgers (starting at 9.90 CHF, vegetarian option available) and beer.

The hiking group should arrive there around 8:00 pm (20:00).

Everyone is of course most welcome to join!

Part 3

Zurich-By-Night City Walk

After dinner we will gladly take you for a short (i.e. 1-1.5 hour long) walk through the city center of Zurich. You will see the most important sights, places of historic interest, some more nice views and learn a handful basic facts about the city and the country.

We will commence after dinner, that is around 9:00 - 9:30 pm (21:00 - 21:30).

People who wish to join should meet us at the Bellevueplatz at 9:15 pm (take a tram number 2, 4, 5, 9, 11 or 15).

We will finish at the Zurich Main Station.

Contact

In case you want to make sure that you will meet us at the right place at the right time (especially if you want to join in the middle of the programme and not wait for half an hour, neither come too late) do not hesitate to call or text (texting is preferred, but both are acceptable):

Aleksander Garus:

+41 76 418 80 70 (CH)

+48 693 408 296 (PL; presumably cheaper from the EU numbers)

Alternatives

Are you not happy with this plan? Then how about:

- Taking the Seilbahn Rigiblick for another nice city/lake view (take tram number 10 to the stop Seilbahn Rigiblick, then the cable railway (all included in your Zone 110 ticket)
- Take a boat from Landesmuseum (behind the main station) to China Garten (15-minute-long cruise, leaves 5 and 35 minutes after each full hour. Also included in your Zone 110 ticket)
- The permanent collection at Kunsthaus Zurich is free to visit on Wednesdays (take a tram number 9 direction Heuried from the tram stop in front of our conference venue, leave at Zurich Kunsthaus)

And you can still join us for Dinner and/or the City Walk!
